“SHAKE YOUR OWN HAND” LYRICS

*(Starred * lyrics are sung, please see score for corresponding melody.)*

- CHORUS: Be your own best friend in the friendship song,
Shake your own hand and sing these words strong.
Look in the mirror, smile, and say: “I’m an amazing person today!”
Yes I’m an amazing person today!
- Verse 1: Yes, you are your own best friend, you know,
Be good to yourself wherever you go,
‘Cuz peace begins inside of you,
With your thoughts, your words, *with whatever you do. CHORUS
- Verse 2: Now if someone says rotten things and makes you feel kinda sad,
Just remember these words and you won’t feel so bad,
It’s a song that we’ll sing to help you through,
*When you don’t know what to say or do. CHORUS
- Verse 3: And if you get pushed while waiting in line,
Just remember these words when you have that hard time,
It’s a song that tells you you’re great as you are,
*You are your own shining star! CHORUS
- Verse 4: And if you ever get scared or kinda shy,
Or feel like you wanna cry and cry,
Just remember you are the best you can be,
*And sing the Friendship song once more with AMAZING little ol’ me!
CHORUS
- Verse 5: So always remember proudly hold your head high,
You’re important, you’re special, make your dreams fly.
Believe in yourself, be your own best friend,
With confidence and courage around every bend. CHORUS
- Coda: *I’m an amazing person, every minute, every hour, every second,
of every amazing day! Remember that!
